OFFICE-CIRCULAR

It is for the information of all final year B.Tech. students that the "Department of Technical Education & Industrial Training, Punjab" (www.dtepunjab.gov.in) is going to conduct **NAC-Tech Test** for final year technical graduates.

NAC-Tech test defines a generic Engineering Industry standard for hiring at the entry level that will help in assessing the training needs, enhance employability and provide greater correlation between education to employment. The process will enable higher conversion rate of the candidates coming through the process, better fitment of on the job performance of certified candidates and enhancement in the size and quality of the talent pool.

The **NAC-tech certification** test has two parts:

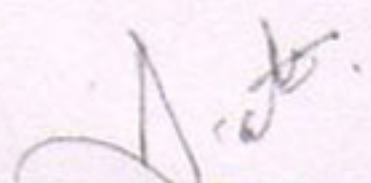

Part A: Verbal ability, analytical reasoning, learning ability, programming and written English skills

Part B: Discipline specific technical test.

The course fee for NAC-Tech certification is Rs 600/- only per student.

All the final year B.Tech. students are encouraged to take the test as it would give them a competitive edge and enhance their prospects for employment.

The concerned students who are interested are required to give their names and deposit the requisite amount of Rs 600/- to the Training & Placement Cell latest by January 8, 2010.
