

ONE DAY AWARENESS WORKSHOP
on
INTELLECTUAL PROPERTY RIGHTS
& PATENT FILING

Saturday, 18th February 2017

Organized by

Research, Innovation & Consultancy Cell
DAV Institute of Engineering & Technology

Supported by

IKG Punjab Technical University

DAV INSTITUTE OF ENGINEERING & TECHNOLOGY

Kabir Nagar, Jalandhar - 144 008

0181-2207650, 2200232, 2343400 Fax : 0181-2205851-52

BACKGROUND

DAV Institute of Engineering & Technology Jalandhar has grown manifold since started in the year 2001. Presently DAVIET has 9 Departments catering to six undergraduate programmes, 4 M.Tech. programmes, MBA and MCA. There are about 2200 students on rolls with 110 faculty members. The academic research work of DAVIET faculties has been commendable with more than 1000 publications and three patents. The booming research and innovative teaching culture of the institute necessitates proactively exploring and bringing to light the treasure of Intellectual Property Rights (IPR) that can benefit the faculty and research scholars of the region. In general, Intellectual Property Rights (IPRs) is concerned with the protection of tangible and intangible property (knowledge commodity, information technology, etc). It provides material awards and recognition to the inventors and contributors for their investment. Hence, it enhances motivation to disseminate scientific and technological information which in turn stimulates research and development for improvement of the quality of life.

In this direction, institute has constituted a Research, Innovation & Consultancy Cell (RIC) to facilitate the research scholars and the faculty with the opportunities to explore the research areas and grow their research quotient. The RIC of the institute now extend its assistance to enable and guide the patent filing by the stakeholders of the institute and to take necessary step to promote the IPR culture in campus. In this background, to develop awareness among young research scholars and faculty members, one day "Awareness workshop on IPR & Patent Filing" has been arranged. Experts from IPR fields have been solicited to deliver thematic talks to take us through the world of IPR.

OBJECTIVE OF THE WORKSHOP

The deliberation in the workshop will cater to the two themes with following broad objectives.

Theme-1 : Awareness towards Intellectual Property Rights

- Intellectual Property Rights in academic research
- Intellectual Property Rights: Procedures and Policies
- IPR management and commercialization
- Infringement and prosecution case studies in IPR.
- Cyberspace- Protection of IPR

Theme-2 : Patents and Procedures

- Drafting of patent and filing procedure
- Demonstration of prior art search and analysis
- Identification of patentability of inventions
- Benefits of PCT (Patent- co-operation treaty) and Indian Patents
- Publishing and Commercialization of Patents

ORGANIZING COMMITTEE

Patron

Prof. (Dr) Manoj Kumar
Principal DAVIET

Co-ordinator

Dr Sudhir Sharma
Dean, RIC Cell DAVIET

Convener (s)

Dr Sanjay Goel
Dr Devinder Priyadarshi
Members, RIC Cell DAVIET

Other Members, RIC Cell, DAVIET

Dr Rajni Sharma (AS)
Mr Kamal Kishore (AS)

Ms Chintu Rza (EE)
Mr P S Mann (IT)

Dr Vinay Chopra (CSE)
Mr N S Rekhi (ECE)

RESOURCE PERSONS

Mr S K Srihari, an Electronics and Communication graduate, handles patent drafting and prosecution in the areas of electronics, telecommunication, computer science, electrical, electromechanical and instrumentation engineering. He renders opinions on issues of patentability, freedom to operate, invalidity, infringement, due diligence and technology trends for clients. He also specializes in filing and prosecuting design applications.

Mr Anand Choubay, a Mechanical Engineering graduate, handles patent drafting and prosecution in the areas of mechanical and automobile engineering, computer simulation and design engineering, electrical and electro-mechanical equipment/ machines and renewable energy. He also provides opinions on patentability, freedom to operate, due diligence and infringement analysis and manages patent portfolios for Indian and foreign clients.

TARGET PARTICIPANTS

- Research Scholars
- Faculty Members
- R&D Personnel
- Entrepreneurs
- PG Students
- Administrators

PROGRAMME

Timings	Activity	Venue
9:30 am	Inauguration of Workshop	Seminar Hall, Core Block
10:00am-11:30 am	Session-1	Seminar Hall, Core Block
	Theme: Awareness towards Intellectual Property Rights	
11:30 am-12:00 pm	Tea Break	
12:00 pm-13:30 pm	Session-2	Seminar Hall, Core Block
	Theme: Patents and Procedures	
13:30pm onwards	Valedictory	Seminar Hall, Core Block

REGISTRATION

There is no registration fee for participation in the workshop. However the number of participants is limited. Interested person are encouraged to apply early to confirm their participation in the workshop. Last date for applying is 16th February 2017.

The participants can send the scanned copy of duly filed registration form at sanjay.goel@davietjal.org or can submit the form personally to the conveners of the workshop. The registration form may also be downloaded from institute website www.davietjal.org

REGISTRATION FORM

One Day Awareness Workshop on INTELLECTUAL PROPERTY RIGHTS & PATENT FILING

Saturday, 18th February 2017

DAV Institute of Engineering & Technology, Jalandhar

1. Name: _____

2. Department/Section: _____

3. Designation/Course: _____

5. Highest Qualification: _____

6. Institute/Organization: _____

7. Email: _____

8. Mobile No.: _____

Signature of the Applicant:

Signature of HoD/Coordinator:

CONTACT PERSONS

Dr Sanjay Goel
