Dooms Day

(Battle of Bands)

“Lets see those drumsticks up in the air along with the head banging and hear those strings strumming and we promise you a cheery audience ready to welcome your tunes.....”

RULES:

- Minimum stage time offered to all bands should be 20 minutes. For sound check extra
- 10 minutes will be given in the starting .
- There shall be no registration of fee levied out from participating bands.
- There shall be no last minute changes in the slot numberings. Who goes first who goes last and who gets what slot will be decided by taking out the chits.
- Standard band event stage setup with a pro quality drum kit and sound system will be provided.
- Professional judges will be aligned to judge the competiton.Total score will be out of 100.

Footloose

(Group Dance Battle)

“Dance to the Rhythm of your Dreams. Dance to the Heat of the Beats. It is the right time to grab those dancing shoes and groove to the rhythm. All the dancing crews get ready to show off your hop and bounce. The ultimate battle is coming.”

RULES:

1. The dance style must be western.
2. Time limit would be 8-10 minutes.
3. Minimum members performing on stage should be 5 and maximum should be 20.
4. Judging criteria- choreography, synchronization, energy, formations, costumes, props, song selection, stage utilization and expressions
5. Any kind of fluid, flame, powders, glitters, heavy or sharp objects or any material which has possibility of damaging stage is not allowed.
6. All the participants must carry their college ids with them.
7. The teams must bring their tracks either in a pen drive or in a CD with them.
8. Disqualification will be imposed for any sign on vulgarity on the stage.

MUN

“Here comes DAVMUN where conditions are seasoned for an interactive and inter disciplinary simulation which places students in role of official United Nations delegates.”

RULES:

1. All the student from DAVIET and other institutes is eligible.
2. Dress code will be formals only.

LAN Gaming

“LAN GAMING for all those gamers out there looking for an opportunity to show-off their unusual talent, hold your horses because here comes ADVITYA, DAVIET Jalandhar's 2018 fest where in the LAN Gaming event you will compete in some of the best and most played games on the table. Defeat others and you are the Gaming King.”

RULES:

1. COUNTER STRIKE GO : 5 vs 5 TEAM EVENT
2. FIFA : 2 VS 2 TEAM EVENT
3. MARIO SPEED RUN : SOLO EVENT
4. MINI MILITIA : 5 VS 5 TEAM EVENT
5. ROAD RASH : SOLO EVENT

Line Follower

**“Know the basic robotics skills!!
Here is a platform for you”**

The challenge of the competition is to make a robot that can move on black lines on a white background and reach the finish as soon as possible.

RULES:

1. Dimensions(Max) in mm: Width * Length * Height (300 * 300 * no limit).
2. The robot must be controlled autonomously with no human aid.
3. The robot must be powered by a power source such as a battery fixed on the robot.
4. Only one team member is elected as the robot handler.
5. There will be only one trial round.
6. It is not allowed to reprogram the robot or to add/remove parts on the robot during the trial but it is allowed to adjust the sensors.

Walk of Thinkers

by

“Walk gently and lightly on your path today...and leave a trail of light so others may find their way.”

RULES:

1. Each participant has to dress up as a famous personality from the field of Science, Technology, Art or Literature.
2. Each participant will be given 2-3 minutes to depict that particular personality.
3. The introduction is must and content lines should provide accurate information.
4. The participants will be judged on the basis of costume, confidence, dialogue, enactment and creativity.
5. There is no registration fee for the participants.

Entry Fee
INR 300
per couple

Galleries

(Art, Photography,
Literary, Music)

Arteso
canvas of imagination :)

ClickEr.

Alfaaz
where you are the artist

- **Arteso** : Art is an extreme expedition; the farther you drool into landscape, the deeper you dwell into artpieces. Arteso provides with just the right amount of self exploration and exhibition of culture and beauty.
- **Clicker** : Clicker turned up 5 and this time we have also raised our bar. Clicker presents its 5th edition of gallery on this tech fest. Don't mess the beginning.
- **Alfaaz** : Seeking to be worth knowing rather than being well known. Combining Literature with Technology is what we aim for; Alfaaz Gallery is going an extra mile this time with the sole purpose of standing out.
- **Strings & Sargam** : Strings & Sargam club is going to set up a music instrument gallery displaying different musical instruments along with their history.

Arteso
canvas of imagination :)

Mr. & Miss Tech

“Style is a way to say who you are without having to speak. So let's walk the runway like everyday is a fashion show.”

Round 1: Ramp walk and introduction round
The participants have to walk ramp in “BLACK TIE” dress code and give a brief introduction about themselves to the judges and crowd.

Round 2: Minute to win it
The judges will allot challenges to participants and they have to perform accordingly.

Round 3: Talent Round
The participants have to portray their talent within 2 minutes.

RULES:

1. Judge's decisions will be final decision
2. In round 1, the participants will get 1 minute to introduce themselves.
3. In round 2, the participants have to perform the task within 1 minute.
4. The sponsored dresses should be handled with care and the defaulters have to pay actual cost of the dresses.

Girl's clothing are sponsored by 'KAZO' and boys have to dress according to 'BLACK TIE' theme.

Business Master

“Business Master is a business plan competition to bring out the new enterprising business and social ideas from the participants having innovative ideas which are technically feasible, commercially viable and socially relevant.”

RULES:

1. Teams will be formed as per the number of participants.
2. Teams have to present their idea with practical possibility of success and future expectation.
3. Maximum 10 members per team allowed.
4. Maximum time for presenting idea is 30 minutes.
5. Budget of idea should be properly explained with practical factors.

Computer Science Engg. (Technical Events)

- CRYPTOMANIA
- TECHNOZARRE
- TWIST OF FATE
- BUGS 4 EVER
- CONNECTING CODES
- TECH SCRATCH
- BATTLE O WEB
- BRAIN HUNT
- BLIND CODING
- PRIZMA CLUB

Contact: Deepanshu (8054939113)

Computer Science Engg.

(Non-Technical Events)

- ROADIES
- FUTSAL
- DEVIL FOLLOWS
- FAM FOR A MINUTE
- SPARTAN SIX
- CUP BATTLE
- MAD AD
- GIRL ZONE

Contact: Deepanshu (8054939113)

Mechanical Engg.
