

5.4 Alumni Engagement

DAVIET has established a strong alumni network. Our alumna, alumnae and alumnus have huge aspirations and have devoted their heart and souls to make the institute proud. By performing effective roles as member of DAVIET family, the alumni association functions as a binding factor to further fortify the visualization as well as the implementation of institute's vision and goal. The alumni association was established to efficiently use our alumni's experience and expertise in order to pass on their talent and legacy to their juniors and institute by serving as role model and torch bearer of DAVIET's value. The alumni board of director leads the organization, which is backed hierarchically by the executive committee and student ambassadors with following vision and mission.

Vision:

To perpetuate the tradition of quality, holistic excellence as an umbrella organization to amalgamate alumnus with the alma mater.

Mission:

Apart from enhancing technical and academic collaboration, alumni association aims at fostering intellectual and emotional fellowship to further strengthen the fidelity, positive goodwill and interaction with alma mater with the zeal to help the institution for being the center of excellence.

Objective:

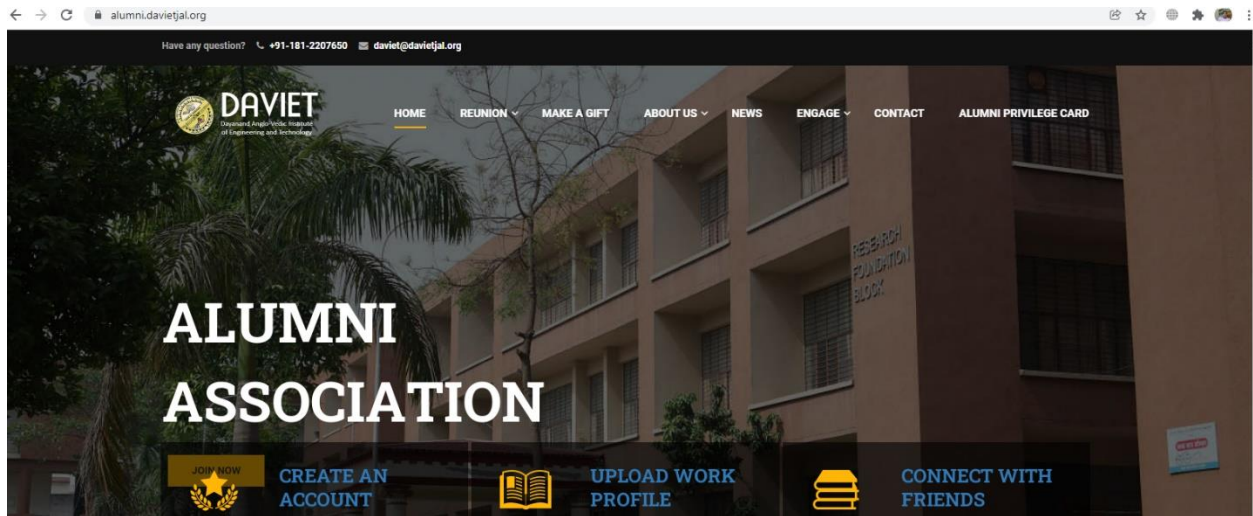

- To establish a sustainable network of globally spread DAVIETians.
- To provide a forum to enable the alumni to keep contact with their alma mater and also with one another.
- To utilize the expertise and resources of alumni for all-round development of the institute.

- To receive donations from alumni for enhancement of infrastructural facilities in the Institute.
- To award scholarships, prizes and medals to the poor and the meritorious students with contributions from alumni.
- To enhance library and laboratory facilities with the assistance from alumni.
- To create career opportunities for the present as well as the past student through interaction with resourceful alumni.
- To organize seminars, conferences and expert lectures for sharing the knowledge and experience of alumni.
- To organize annual convention of alumni with social, literary and cultural programs.
- To confer honorary awards or other distinctions to distinguished alumni.
- To utilize the expert services of alumni in academic and administrative reforms.
- To contribute significantly for the scientific and technological advancements of the country.

To achieve the objectives of the association, a dedicated web portal is created to build a strong link with the pass out students. The web portal can be accessed through

<https://alumni.davietjal.org/>

As a graduate of DAVIET, pass out students are entitled to an amazing selection of benefits and services under Alumni Privilege Card. These include campus-based offers such as access to library, guest house stay as well as discounts at various merchant and businesses. There are also a few offers that alumni can take advantage such as discounts on accommodation and holidays.

We provide a platform which enables mentees to interact with their alumni as well as other industry experts. It provides an opportunity for the mentees to post generic queries (so that anyone may respond to them) or even address questions directly to a particular mentor. Mentors may choose to address any of the queries put across to them. **Alumni Mentorship Program (AMP)** offers every student a unique opportunity to leverage their institutes alumni network and build strong relations with professionals. Student gets chance to get updated information and advice related to academic, professional and personal development. This communication channel help build strong network for the alumni and students. **Alumni** will serve as role models and personal career adviser in an informal mentoring relationship. As a distinguished alumnus, they hold a wealth of information and knowledge that current students can benefit from. Their expertise and advice is more valuable than one may realize.

Our graduates are working in various multinational companies with in India as well as the offshore locations. Moreover, the former students are representing the institute at the top position of the company with great determination and dedication to excel in their field of expertise. To remain connected with our pass out students, the institute has created online communities on various platform such LinkedIn, Facebook.

LinkedIn : <https://www.linkedin.com/groups/10542272/>

Facebook: <https://www.facebook.com/davietjal.org/>

Besides these options, the alumni can contact for any queries or suggestions, at:

7	Mr. Jonty Mago (Research Scholar at IIT, Delhi)	2012-16	ME	13 th May, 2021	Surface engineering with microwave irradiation pursuing research during and after engineering

Date: 30-01-2020

Very satisfying and elated to see the success of Mr. Harman, Mr. Mohit Sharma and Mr. Amrinder Sandhu who visited the department on their brief trip to India from Canada. All three of them are doing great on professional front and have created a niche for themselves in the corporate world with their superb performance in respective organizations. Not just that, Amrinder is also doing wonderfully well in pursuing his passion for singing. He has already got some good tracks and I

am very sure will be one of the most sought after singers in the times to come. God bless you guys with a joyous and prosperous life on personal and professional front.

Date: 04-02-2020

Delighted to meet **Mr. Sarvoday Singh** who was on a short visit to India. The **alumnus of 2011-15** Batch of Department of Mechanical Engineering of DAVIET Jalandhar, at present Sarvoday is **Business Development Manager with global leader Vita Talalay in Amsterdam, Netherlands.** A gem of a person, he has created a niche in corporate world at a very young age through his immense hard work and sincere approach. He cracked CAT during his Final Year of B.Tech. and completed Masters from prestigious SP Jain Institute of Management and Research, Mumbai and Nyenrode Business University, NL. The department is proud of you Sarvoday Singh and wish you much more success in the years to come. He also guided the current students of the department and took all their queries in a highly interactive session.

Date: 27-02-2020

Elated to catch up with **Mr. Ankur Gupta** and **Mr. Annish Behal**, (Batch 2011-15) the alumni of the department of Mechanical Engineering of DAVIET on their recent visit to the alma mater. It was great to see the two of them rising in their respective domains in the professional world. **Mr. Ankur** has ventured into setting up his **own business** and has become a great entrepreneur through sheer hard work while **Mr. Annish** is working with prestigious **Escorts Ltd. as Territory Manager** with their agri business division. It was a great joy to see our alumni doing so well. It was great to recall good old days and we had a very positive and informative discussion. Infact students of B.Tech (ME) learned a lot from Ankur and Annish as the two shared their experiences over last few years. God bless you two with much more success in the times to come on professional and personal front. All the best.
